

Global Challenges for Our Sustainable Future

A Social Sciences and Humanities Approach

23

Jan.

2023

until

3

Feb.

2023

A 2022 winter university unlike any other. Immerse yourself in the world of sustainability during small interactive, multidisciplinary online classes. The winter university programme offers credit-bearing courses and targets all advanced Bachelor's and Master's students with an interest in sustainability.

CREDITS:

6 ECTS with pass/fail score

NUMBER OF PARTICIPANTS: 50
