Recognition	
Grading system	<p>The Italian University system is organised in 3 cycles: the 1st cycle academic degree, that is the "<i>Laurea</i>" (Bachelor degree), grants access to the 2nd cycle, the "<i>Laurea Magistrale</i>" (Masters degree), corresponding to the 2nd cycle and giving access to 3rd cycle doctorate programmes resulting in the PhD degree called "<i>Dottorato di Ricerca</i>".</p> <p>The European Credit Transfer System (ECTS) is used by Italian universities to evaluate and measure the workload of single courses, as well as entire qualifications. ECTS credits represent the total student workload (class time, individual study, exam preparation, practical work, etc.) needed to complete a module/programme. According to Italian legislation, one ECTS/ CFU credit is equivalent to 25 hours. Exams are graded using a grading scale of 30, where 18 is the minimum passing grade and 30 cum laude the highest grade.</p>
Transcript of Records	Delivered by the International Office directly to the student at the end of the exchange period
