City University of Hong Kong Exchange Programme

Hong Kong

Asia's World City

Hong Kong is one of the most vibrant cosmopolitan cities in the world. It has the world's freest economy and is seen as one of the world's leading financial centres. With its safe and convenient living environment, Hong Kong is a great place for education and career seeking.

The Heart of Asia

The city is efficiently located within 4 hours of flying time from the region's key financial markets, and is less than a 5-hour flight from half the world's population.

The Gateway to China

Hong Kong has always been known as the bridge between the east and the west. Many multinational companies set up their Asian headquarters in the city overlooking their operation especially mainland China.

Culturally Diversified

The city is fast-paced and exciting with over 7 million people. In this thriving East-meets-West metropolis, western life style mingles with ancient Chinese culture, and old traditions co-exist with the new.
