

Japan Student Services Organization (JASSO)

Scholarship For Short-Term Study In Japan

(as of January 2014)

This scholarship is available for the qualified international students accepted by Japanese universities under the student exchange agreement on a short-term basis. The JASSO selects exchange programs carried out by Japanese universities every year and it allocates scholarship quota to each university. Tohoku University will be able to nominate the qualified students to JASSO within that quota.

1. Qualifications

- (1) Students who are officially nominated by partner universities to Tohoku University.
- (2) Students demonstrating excellent academic and personal records at their home university.
- (3) Students having a definite motivation as a clear study plan in any field available at Tohoku University and likely to benefit from studying in Japan.
- (4) Students not having the financial means to study in Japan.
- (5) Students who, upon termination of the period of study in Japan, will resume or complete their studies at their home university.
- (6) Students who don't receive any kind of scholarship more than 80,000JPY per month.
- (7) Students who have not been awarded the JASSO scholarship before.
- (8) Students who are not of Japanese nationality currently.
- (9) Students who have the minimum of 2.30 GPA, which is calculated using JASSO's GPA calculation method, based on a transcript from the previous academic year. (See below)

Calculating GPA

- Applicant must demonstrate excellent academic achievements at home university, as well as a good personality; in addition, applicant must have the minimum of 2.30 GPA, which is calculated using JASSO's GPA calculation method, based on a transcript from the previous academic year. If the applicant's transcript of the previous academic year is not available, GPA will be calculated based on his/her transcript of the previous semester. In case converting grades using JASSO's calculation method is impossible, we will measure the applicant's academic excellence from their transcript and other materials.
- Meeting JASSO's criteria alone does not guarantee the acceptance to the scholarship program: all applicants go through an on-campus screening process.

- Use the table below to convert your grades into grade points. Then use your grade points and the formula below to calculate your GPA.
- When calculating GPA, round off to two decimal places. For example, 2.654 would be rounded 2.65, while 2.655 would be rounded to 2.66.

Grade Point Conversion Table:

	GRADE				
4-level rating (type 1)	—	Excellent	Good	Average	Fail
4-level rating (type 2)	—	A	B	C	F
4-level rating (type 3)	—	100-80	79-70	69-60	59 or less
5-level rating (type 1)	100-90	89-80	79-70	69-60	59 or less
5-level rating (type 2)	S	A	B	C	F
5-level rating (type 3)	A	B	C	D	F
GARDE POINT (GP)	3	3	2	1	0

Grade Formula:

$$\frac{([\text{No.of GP3 Credits}] \times 3) + ([\text{No.of GP2 Credits}] \times 2) + ([\text{No.of GP1 Credits}] \times 1) + ([\text{No.of GPO Credits}] \times 0)}{\text{Total Number of Registered Credits}}$$

*No. =Number

*GP=Grade Point

<Note>

*If you have taken courses that are not part of the credit system, replace the number of credits in the GPA formula with the number of courses taken.

2. Application Documents

Students wishing to apply for this scholarship must be selected as TSSP 2014 candidates by their home institutions. Submit the following forms together with TSSP 2014 application materials through the representative international office at their home institution. Direct applications from students to Tohoku University or to JASSO will not be accepted.
