When you click on the "Search" button you can see the courses offered in a specific semester.

The screenshot shows the SNU Course Search interface. The top navigation bar includes links for Course Catalog, Class Time, Course Search, Classes of Interest, and Course Registration. The main search area contains various filters such as Year (2016), Semester (1st Semester), Academic year, Course Number, Course Title, General Education, Department (College of Business Admin), Program, Course classification, Credits, Location, Name of Instructor, Quota, Number of registered students, Class Time, Lecture constituent, English Lecture, Grading Type, and Quota has not been reached. A red arrow points to the "SEARCH" button.

Below the search filters, there are instructions: "You can search for courses of previous semesters by clicking the 'Advanced Search' button." and "Course Order: Course Number starting with Alphabet (L for Liberal, M for Major, T for Teaching) → Course Number starting with Number (All course classification)".

The search results show a total count of 36 courses. The table below lists the courses:
