Useful Information for Exchange Students	
General Information about Tokyo Tech	<p>Tokyo Tech is a leading Japanese university in science and technology with an outstanding history since 1881. There are around 10,000 students (around 4,800 undergraduates, 5,100 postgraduates, and 100 research students), 1,150 faculty members and 570 administrative staff members. The institute consists of three undergraduate schools, six graduate schools, four research laboratories and several research and service centers. There are three campuses in Ookayama, Suzukakedai and Tamachi. About 10 percent of all students are international students.</p> <p>&lt;About Tokyo Tech&gt;  <a href="http://www.titech.ac.jp/english/about/overview/index.html">http://www.titech.ac.jp/english/about/overview/index.html</a>          &lt;Schools, Graduate Schools and Research Laboratories&gt;  <a href="http://www.titech.ac.jp/english/about/organization/index.html">http://www.titech.ac.jp/english/about/organization/index.html</a>          &lt;Tokyo Tech STAR Search (Researcher Finder)&gt;  <a href="http://search.star.titech.ac.jp/titech-ss/index.act?lang=en">http://search.star.titech.ac.jp/titech-ss/index.act?lang=en</a></p>
Visa Status / Procedure to obtain a student visa	<p>International students at Japanese universities are required to obtain a "student" visa. Obtaining "student" visa status is essential in order to apply for various kinds of assistance and scholarships for international students.</p> <p>&lt;Procedures to obtain a student visa&gt;          1) After the application, the staff of the International Student Exchange Division apply for the student's COE (Certificate of Eligibility), which is the documentation used to obtain a visa to study in Japan.          2) The Immigration Bureau in Tokyo issues the COE and send it to Tokyo Tech.          3) The staff of Tokyo Tech send the COE to a student exchange officer of the partner university.          4) After the COE is handed to the student, the student goes to the Japanese Embassy/Consulate in home country to obtain a student visa.</p>
Dormitory for Exchange Students	<p>&lt;Both YSEP and ACAP&gt;          After the applicant's enrollment has been formally accepted, about 1 month before enrollment, the staff of the Student Support Division will contact the student by email to provide the information about our dormitory.</p> <p>(Fees)          20,000 JPY-45,000 JPY per month (varies by dormitory)</p> <p>e.g.) Shofu/Umegaoka Dormitory:          Admission Fee (only for students who stay for less than 5 months): 10,000 JPY          - Single Type              Fee: 5,900 JPY/month (Rent)                  10,000 JPY/month (Maintenance Fee)          - Double Type (available only for YSEP students)              Fee: 5,950 JPY/month (Rent)                  6,500 JPY/month (Maintenance Fee)</p> <p>Komaba International House:          Admission Fee: 32,200 JPY          Rent: 32,200 JPY/month          Communication and Equipment Fee: 2,700 JPY/month</p>

Apartment for International Students	<p>To search for a private apartment, the COOP service at Tokyo Tech is available for students after their enrollment.</p> <p>Useful information will be obtainable at the COOP office.</p> <p>After visiting some apartments, they can decide the one they will rent.</p> <p>Tokyo Tech will be an institutional guarantor when a student rent an apartment.</p>
Orientation for Exchange Students	<p>The date and place will be notified by the staff in charge of each program in due time.</p> <p>There is no charge for attending the orientation.</p>
Scholarship for Exchange Students	<p>&lt;JASSO Scholarship&gt;  Number of recipient: It depends on the number of applicants expected.  Period: 6 months - 1 year  Monthly Stipend: 80,000 JPY (as of the 2014-2015 academic year)</p> <p>*(For those students who do NOT intend to take any courses during their exchange period)  Students not taking courses must be highly motivated and MUST OBTAIN THE CERTIFICATE OF RESEARCH (the proof of achievement with regard to their research projects) at Tokyo Tech by following the necessary procedures at the end of their research period.  [NOTE: Students not taking courses need to be aware that if they want to be considered for a scholarship, they will have to obtain this Certificate of Research at Tokyo Tech.]</p>
