THE UNIVERSITY OF
SYDNEY

A world-class university

As a student at the University of Sydney you'll become part of a highly talented community of high-calibre academics, researchers and students who are leading new thinking and pushing boundaries. This unique community, along with our innovative learning facilities and beautiful campuses, are just some of the reasons we're ranked number one for student experience in Australia.

Location and campuses

Our main campus (pictured) is Camperdown/Darlington, located approximately 3 kilometres southwest of the heart of the City of Sydney, and houses most faculties.

Dentistry; Health Sciences; Nursing & Midwifery; Sydney College of the Arts (SCA) and Sydney Conservatorium of Music; plus some facilities for Agriculture and Environment and Veterinary Science are located on other campuses.
