Voice of the student

My experience was really wonderful and unforgettable. The accommodation and location of King's are perfect as well. There are many places of interest within walking distance. Staying at King's made my summer more colourful and I will recommend this summer school to other students.

King's faculty and staff ensure you experience our globally-renowned, research-led teaching through interactive seminars, lectures, group discussions, off-campus excursions and guest speakers.

For international students, the Undergraduate Summer School is a chance to immerse yourself in British culture, become more familiar with the UK higher education system, and make new friends with students from around the world.

Classes take place on our riverside campuses in the very heart of London, so you will be within easy reach of all the main visitor attractions enabling you to explore the city while you learn.
