Please only use it without registration)</p> <p>To use the course catalogue, students need to choose the desired language in the top right hand corner (de/en) then select «courses» in the search bar and click on «advanced search». Selecting «English» as the language of instruction will then give them a list of all the courses offered in English in a given semester.</p>

<b>Language Courses</b>	<p>TUM offers German language courses for international students. Intensive courses take place two weeks before the start of lectures.</p> <p>For details please see: <a href="http://www.sprachenzentrum.tum.de/en/homepage/">http://www.sprachenzentrum.tum.de/en/homepage/</a></p>

Exchange students need to attend the exams on the official examination dates. Examination dates vary between the TUM departments but generally take place between February and March (winter term) and between July and September (summer term). For the exact dates please contact the departmental coordinator.</p> <p><b>Transcripts</b> can be downloaded online, even after students have left TUM. Students who need to have an original transcript sent to their home institution have to inform their respective TUM department about the relevant address early in advance.</p>
<b>Recognition of Courses</b>	<p>Questions regarding recognition of the courses students wish to take at TUM need to be answered by the home university.</p>

## Accommodation

---

**Accommodation** Accommodation in Munich is scarce and the competition for it is high. TUM International Center gets a very limited number of dormitory offerings with a tutor supervision program (= Service Package) from the Munich Student Union, which are primarily reserved for the 'TUMexchange' program participants. If there are enough dormitory rooms for all 'TUMexchange' program participants, they automatically receive an email from us in the middle of July (for winter term) / in the middle of January (for summer term) with the Service Package offer. If it is not the case due to a high number of students, they will also be informed about it on time and get useful tips for accommodation search on the private market.

Dormitory rooms of the Munich Student Union are typically furnished single rooms with shared bathrooms and kitchens or furnished single apartments with kitchenettes and private bathrooms. Internet access is included in the monthly rent. Meals are not provided, but there are student cafeterias on all 3 campuses, where lunch is served for reasonable prices. Bed linen and dishes are usually not available.

*For exchange students of other mobility programmes like "partner university", faculty agreements or third party programs please see the information under 'Help for exchange students of other mobility programs (e.g. Erasmus, bilateral agreement etc.)', which can be found at the following link:*

The program takes place during the first two weeks of October (winter term) and the first two weeks of April (summer term). The program is divided into instructional units that are designed not only to help you get through the paper work upon arrival, but also to acquaint you with the cultural offerings in and around Munich

## Visa Requirements/Residence Permit Application

---

<b>Entry Regulations</b>	<p>Applicants from EU/EFTA nations as well as some other nations do not need a visa to study in Germany.</p> <p>Applicants from Non-EU nations normally need a visa to study in Germany. In order to get a visa and the information if they need a visa, they must contact the embassy or consulate of the Federal Republic of Germany in their home country to ask and apply for it. Application for visa is necessary at least 2 months ahead of time. Students cannot travel to Germany on a tourist visa, since this cannot be changed into a student visa! Students that are in Germany on a tourist visa are not entitled to study there.</p>

## Health Insurance

---

<b>Are students required to get health insurance?</b>	Health insurance is compulsory in Germany. Students cannot register at TUM without proof of German national health insurance. To ensure that coverage is sufficient to meet German national standards, it is recommended that students purchase an in-country medical insurance plan. Full coverage for students is around € 90-95 monthly. Travel insurances are <u>not</u> accepted:

**What are acceptable credit cards in Munich?** In Munich all major credit cards are accepted. However, not all stores accept credit cards; some shops only accept cash payments. In smaller cities and towns outside of Munich credit cards are usually not accepted.
