Is university-administered accommodation available to exchange students?	
Yes. Please go to http://www.housing.uwa.edu.au/on-campus for links to Residential Colleges.	
Is accommodation guaranteed for exchange students?	
Housing at the colleges is NOT guaranteed and has become very competitive in recent years due to its popularity. Generally the Residential College's review applications on a case by case basis. The most important factor that influences a candidate's acceptance to a Residential College is the information that a future student provides. For example, the Colleges need to know students' personal & academic achievements; why they would like to reside at a Residential College; if they have any special needs; postgrad/undergrad; enrolled course; year/level of study etc. More information available at http://www.housing.uwa.edu.au/on-campus	
College Accommodation Application Process	
Students can now log onto the UWA Residential College Application Portal https://portal.residences.uwa.edu.au/StarRezPortal_UWA_AS/Default.aspx?Params=L9ezxPcQnQuRGKTzF%2b4sxeNblvAA%2b26c and apply to live on campus in one place. They rank their college preferences from 1-5 and the portal will automatically send their application to the college (starting with their first preference). If by chance the student does not receive any of their preferences, their name will automatically go into a central waitlist pool and they will be allocated a placement as soon as an opportunity arises.	

If university-administered accommodation is not available, will there be any assistance in finding private housing?

Students will be directed to the Housing Service of Student Services. The Housing Service offers a free and confidential accommodation advisory support service to enrolled students. Housing Officers do not arrange accommodation students but can provide advice and information and manage the Housing Database, which is a self-serve facility allowing enrolled students to view property listings and make their selections accordingly. A number of properties (either on a vacant or share basis) and rooms available for rent in homes in surrounding areas are listed in the Housing Database. Students may then access the information and contact owners or leasers directly to arrange a viewing. <http://www.housing.uwa.edu.au/off-campus>
Homestay options are also available. See <http://www.housing.uwa.edu.au/off-campus/private-board>
