**2. Academic Credit**

GSP students earn University of California academic credit for all campus classes. UC credit is awarded on a quarter “unit” basis, generally considered equivalent to 67% of a US college semester credit. Students who successfully complete GSP academic-prep language classes will be awarded continuing education units credit at a rate of 1 unit per 10 hours of instruction. In general students carry a minimum of 12 units and a maximum of 13 units of approved UC Davis credit courses. Exceptional students may petition to take up to 16 units of approved credit.

**3. Program Benefits**

Global Study Program students are eligible for all UC Davis undergraduate student services, including, but not limited to:

- Pre-arrival course registration in nearly all UC Davis departments
- Internship placement through the Internship and Career Center

---

<sup>1</sup> Details subject to change. Partner universities will be notified in writing prior to the implementation of program changes.

- Independent research with professors
- 24/7 access to the library and study rooms
- Use of the state-of-the-art Activities and Recreation Center
- Participation in student sports, clubs, and activities

#### **4. Admission Criteria**

- A grade point average (GPA) equivalent to a 3.0 on a 4.0 grade scale (B average).
- Recommendation of the home university
- Demonstrated advanced-level English proficiency (see below for details)

#### **5. Program Structure**

Coursework varies depending upon student English proficiency. A student with a high-level English proficiency would take full campus courses, while students with mid-range scores would take a combination of campus and ESL courses.

<b>GSP Program</b>	<b>Credits earned</b>	<b>English Proficiency</b>
Full-Time Academic Credit	12-13 academic units	<b>TOEFL 80 IBT/550 PBT</b> *no sub-score below 19 <b>IELTS 7</b>
Part-time Academic Credit / Part-time non-credit ESL	7-8 academic units and ESL academic preparation coursework	<b>TOEFL 71 IBT/530 PBT</b> <b>IELTS 6.5</b>

In general a student who receives B grades or higher in ESL coursework will progress upwards at a rate of one-level per quarter. Progression towards campus courses is dependent upon student performance, instructor recommendation, and advisor approval. Additional testing may be required.

\*The part-time option is not available during the Summer Sessions.

#### **6. Pricing**

The tuition and fees payment amounts represent tuition and campus student fees per student.

#### **Tuition and Fees Payments Per Student, 2016-17 Academic Year**

\*\*Course fees are pending the State's final budget and approval by the Regents of the University of California. All fees are subject to change with advance notice.

**Payment Arrangements**

<b>Housing</b>	\$ 420-850 per month
<b>Food/meals</b>	\$ 375 per month
<b>Local transportation</b>	University and local public buses are included in student registration fee. A bicycle is a worthwhile expenditure.
<b>Academic expenses (e.g., books, stationery)</b>	\$160-475 per academic quarter
<b>Personal items</b>	Varies
<b>Campus recreation and activities</b>	Optional sports activities, craft or personal interest classes for \$30-130

\*\*Please note the estimated expenses above do not include travel and excursion expenses throughout the United States. If a student is planning on traveling and vacationing during the course of the program they should budget additional funds.

### 7. UC Davis International Student Health Insurance Plan

This comprehensive plan provides access to high-quality, affordable medical services on-and off-campus. Purchasing this plan does not mean that you receive free medical care. It does mean that the cost of your medical care is significantly reduced -- you pay only a portion of your medical costs and the insurance pays a portion of your medical costs. This is also true of virtually all health insurance plans in the United States. Translated versions of the brochure are available in Korean, Japanese, Chinese, French, Portuguese, Spanish and Turkish. For more information, visit: <http://www.renstudent.com/>

Any student who already carries equivalent medical insurance coverage may apply for a waiver instead of purchasing this insurance; such students should be prepared to pay in advance for any medical care and seek reimbursement from their insurer. UC Davis policy requires that they have a minimum total coverage of \$250,000 and the following provisions:

- Medical benefits of at least \$50,000 per accident or illness
- Repatriation of remains in the amount of \$7,500
- Expenses associated with medical evacuation in the amount of \$10,000
- Deductible not to exceed \$500 per accident or illness.

### 8. Accommodation

We offer two excellent housing options for Global Study Program students: rental apartments or home-stay arrangements. GSP students make their own housing arrangements with guidance from GSP advisors. Housing options include:

- a. Rental Apartments.** Some students prefer to secure their own accommodations, perhaps through friends or relatives. Housing Web sites popular with UC Davis students are <http://sacramento.craigslist.org/> and [www.chl.ucdavis.edu](http://www.chl.ucdavis.edu)

- b. **Homestay with a Local Family.** Our Center for International Education (CIE) Housing office helps individual students with a variety of housing options, including homestay, apartments and dormitories (summers only). If you would like more information or assistance in finding a homestay, please contact us at [ciehousing@ucdavis.edu](mailto:ciehousing@ucdavis.edu).

At present on-campus dormitories are not available.

## **9. Student Conduct**

- a. All Global Study Program students are required to adhere to UC Davis and UC Davis Extension academic and behavior standards as outlined in the Global Study Program Arrival Handbook. UC Davis Extension reserves the right to dismiss any student from the program who fails to meet the University of California academic, attendance, or behavioral standards.
- b. Students are required to maintain a minimum grade point average of 2.0 at all times and will be asked to meet with a Global Study Program advisor to discuss any failed class or other unfavorable report from an instructor. Global Study Program advisors will closely monitor participating students, their academic and personal progress and will consult with the home university on issues of serious concern. Students who receive failing grades for multiple quarters will be subject to dismissal.

## **10. Transcripts and Certificates of Completion**

Students receive two final transcripts (one official copy is sent directly to the home university) approximately 2 months following the conclusion of their study abroad at UC Davis. Students may also receive a certificate of completion after the successful conclusion of their studies.
