## SUMMER SESSIONS

GLOBAL AFFILIATE  
PROGRAM

# About the Program

UC Davis Summer Sessions partners with universities, colleges and schools throughout the world to bring students to the University of California, Davis campus for the summer. We offer more than 600 courses in 75 academic disciplines, including economics, engineering, computer science, biological sciences and English as a Second Language. Two sessions of six weeks each in length are offered every summer, beginning in late June.

# Benefits for Global Affiliates

As a Global Affiliate, you are able to contract for all services and programs in advance. A part of the International Student Services fee may be refunded for costs on your campus, or you can offer a rebate to your students. We may visit your institution to present informational seminars to interested students and parents. Our staff will also coordinate course registration, housing, travel and orientation services for you and your students.

# Benefits to Your Students

Students obtain all of the benefits of a term abroad, without missing any of their academic programs at home. Your students will study at a top-tier research university while enjoying the peaceful, safe atmosphere of Davis, one of California's last true college towns, which is located in the beautiful heart of Northern California. By combining two, six-week sessions, students can complete a full quarter of courses during the summer. They will experience the participative style of American higher education, the varieties of the American curriculum and the excitement of American culture.
