Dear HU Zhengming,

I am very pleased to say that I have the revised costs for an eighteen-day programme in York in 2012, with arrival in York on Tuesday 17 January and departure on Saturday 11 February.

Please find details of the costs below. They are based on a group of at least 10 students attending the programme.

Per Student Costs	£	Notes
Tuition fees (18 days)	792.00	An inflationary increase
Accommodation with host family (25 nights)	607.25	Same as 2011
Total: Tuition and accommodation per student	1,399.35	
Other Costs		
Transport to and from the University of York:	tba	This will be a fixed cost
CELT member of staff per hour	12.00	Same as 2011

Minimum number of students per class group: 10

Maximum number of students in cohort: 36 in three class groups (can be negotiated)

We can send a member of CELT staff to meet the group on arrival and to see them off on departure.

Please let me know if you have any further questions with regard to costs or arrangements for the course.

Yours sincerely

Matt Smelt-Webb
Academic Programme Manager
