Event	Date
Home university's nomination deadline	10 March 2021
Students' online application deadline	19 March 2021
Notification of admission	Early April 2021

*Students must be registered by the coordinator in advance to log on his/her application web page.

2. Notes for Nomination

Minimum Requirement

Official Nomination

Prospective incoming students of 2021 Osaka University Anniversary Lecture Series must be nominated by the study-abroad/student mobility office of home university. We do not accept students' self-nomination and independent application for the program.

Language Requirements

All students must be able to read and understand simple English guides, messages and online navigation to apply for the program.

Final year student?

- ✓ Check if our academic calendar and formal grade release do not conflict with your student's graduation/grade report schedule.
- ✓ The OU grade release is after mid-September for spring / summer term. Please be reminded that the grade release timing is NOT negotiable if exchange credits and grades must be transferred to home university.

3. Program (Osaka University Anniversary Lecture Series)

The Osaka University Anniversary Lecture Series consists of three components that will introduce advanced research in various fields:

1. Osaka University 90th and Osaka University of Foreign Studies 100th Anniversary Event
2. Six lectures for each of 11 courses (some lectures may overlap with other courses)
3. Student discussion

All the courses are offered online to students at partner universities. A transcript and a certificate will be issued upon successful completion of the program. While most courses will be streamed in real time, videos on demand (VOD) will be available for viewing to account for time differences. Lectures will be streamed at either 16:50-18:20 or 18:30-20:00 Japan Standard Time (GMT+9).

4. Application

Please use Osaka University's online application system. **Email attachment or postal application will not be accepted** and there is no need for your university to send the original documents by post after completing online submission. Students and/or coordinators need to have access to the following system and hardware.

Windows PC or Mac computer with secured internet access

The online application system is designed to operate with desktop/laptop computers and not guaranteed to work on tablet computers, smartphone or any other mobile devices.

PDF converter software

Several pieces of documents will have to be submitted in PDF and no other file types are accepted. The computer should have a PDF convertor, such as Adobe Acrobat, Microsoft Office add-in etc.

Image scanner

Students will have to upload scanned PDF files from the application website.

E-mail

As we are unable to check undelivered emails on the system, it is extremely important that students register an active and reliable email account. Both university and personal email, web-based and client based email can be used.

Please note that the following emails may be rejected from our university emails.

'@naver.com' '@daum.net' and '@qq.com' domains

Use of student's personal information

The applicant's personal data such as name and address obtained through our application website will be used only for the purpose of admission. The submitted personal information and documents will be kept strictly confidential.

Application Process

When your online nomination is completed by the exchange coordinator of your home university, you will receive;

- 1) Student authentication password from the exchange coordinator of your university
- 2) Email of registration notification with authentication web page URL (to your contact email your coordinator has registered.)

Once you have both, you can go to the web page to be authenticated and get your own ID and password to log on your personal web page to apply for an OU university-wide exchange program. Your user ID and password will be sent by email if the authentication is successful. Please make sure to set up the filter to receive e-mails from

T-cens.support@studentexchange.osaka-u.ac.jp.

Initial Authentication process

When you receive an email ([OsakaU] Request for initial authentication - University-wide Student Exchange Programs), please access the URL given in the email and enter the password you have received from your exchange coordinator.

※Note:

If you did not receive an e-mail, it is possible that any one of the followings occurred.

- The e-mail was sent directly to your Spam Folder or automatically deleted as spam.
- Your university coordinator may have misspelled your e-mail address.

When authentication is successful, you will see the message and receive another email from the system. Please check your email and find your ID, password and URL. (Authentication process is only one-time - you do not have to do it again.)

Log-in

Please copy & paste the web link and go to log-in page.

You will see your message box on the top. When a message is sent from Osaka, you will receive an e-mail. Please be sure to log on and check the new message when you received it. We will send the important information through the message system.
