

**Thank you for your interest in the 2017 International Summer Immersion Program in College of ACES at the University of Illinois at Urbana-Champaign! We look forward to reviewing your application.**

**Before you apply:**

Read this application instructions for information on requirements and applying to a specialized research area. Please check into the website <http://aces.illinois.edu/> for department information and faculty directory before filling the application form.

**To get started:**

We are requesting three documents from every applicant.

**1. Application Form**

Please follow the format of the example form we provided as below.

Keep your writing within one single page briefly and clearly.

**2. Personal Statement**

Every applicant must respond to the following questions specifically in the personal statement:

- Which (professor's) research fields you are interested in and why?
- What academic/research backgrounds you had and what kind of academic/research achievements you had?
- Why you are interested in this summer apprenticeship program? How you will utilize the program?
- Your career outlook

Your response must be a maximum of 1,000 words total.

**3. Resume**

**Before submitting your application:**

When you have completed your application and are ready to submit, you must save the three files as "Your Name\_AF", "Your Name\_PS" and "Your Name\_Resume". Please convert all the files to pdf.

Other tests score should be reported as the same format.
6. Make sure that you can get letter or package from this address.
7. Please use the full name of your major, minor and college in Zhejiang University here.
8. Please use abbreviation to represent the department of the mentors you chose:  
ABE - Agricultural and Biological Engineering  
ACE - Agricultural and Consumer Economics  
AnSCI - Animal Sciences  
CpSCI - Crop Sciences  
FSHN - Food Science and Human Nutrition  
HCD - Human and Community Development  
NRES - Natural Resources and Environmental Sciences
9. Since everything in this form should be in a single page, you'd better to keep your statements here in these four sections (Statement of Research Interest, Research Experiences, Social Activities, Others) brief and clear enough. It will be great if you can provide your personal statement as an attachment here.
